

RESERVING A SHELTER

All reservations and payments are now done online at:
libertytwp.org

You must create a free account to reserve.

1. Select **“Reservations/Rentals”**
2. Under facilities, select **“Liberty Park”**
3. Under subfacilities, select your shelter, for example **“Shelter #3”**
4. Select **“View Subfacility”**

There are 2 different places on this page you can select **“Request Reservation”**. You can click either of them and fill out the online form.

Once you fill that out we will process your request and send you an invoice for you to pay. It is important to note that the shelter is not reserved until a payment is made.
