

RESOLUTION #08 -0806-04

A Resolution authorizing the Fire Department to purchase mobile computer mounting hardware

Whereas, Liberty Township Fire Department budget has been submitted to the Board of Trustees, and funds are available to purchase the mounting hardware, and

Whereas, there is a need to replace certain computer equipment as identified in the attached quotation, and

Whereas, the Fire Chief and his staff have reviewed the options and recommend the attached outlay for the fire headquarters,

Now, therefore Be it Resolved, by the Liberty Township Board of Trustees, Delaware County that the Fire Department is authorized to purchase \$3,050 of computer mounting hardware for four (4) systems as outlined in the attached quote from MobilTEK of Cincinnati, Ohio using funds from the Fire Department fund/account 2191-220-490.

This Resolution shall be in force and become effective immediately upon its execution.

Date:

1. Program Description:

With the delivery of the new Toughbooks from the Delaware County TRN money, we need to purchase the vehicle mounting hardware for the computers. This will provide a safe way to store and power the computers that will be used for mapping, pre-incident planning, and fire reporting.

2. Service Delivery Impact

The mounting of the computers in the front line fire apparatus will allow us a more proficient means of locating addresses, building information, and recording of information about emergency calls.

3. Personnel Requirements:

Mounting hardware and wiring will be installed by department personnel.

4. Cost Impact of New Program:
