

RESOLUTION #08-1117-04:

Whereas, The Fire Department has recently reported the need for maintenance on the Horton Reserve Medic #323, and

Whereas, the reserve medic requires four (4) ball joints, two (2) camber sleeves and alignment, fuel injectors, and a fuel leak to be repaired to return this vehicle to service immediately as noted in the quotation provided, and

Whereas, the supplier would be our regular supplier of engine work of this nature which is Mike's Complete Service in Plain City,

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF TRUSTEES OF LIBERTY TOWNSHIP, DELAWARE COUNTY, OHIO: authorize the staff to repair the Horton reserve medic vehicle at a cost not to exceed \$6500 at Mike's Complete Service of 8130 Industrial Parkway in Plain City 43064.

Motion made by P. Guzzo and seconded by R. Mann.

Vote: Ms. Guzzo Mr. Mann Mr. Sybert

This Resolution shall be in force and become effective immediately upon its execution.

Fire Department Expenditure Request

November 13, 2008

To: Dave Anderson, Township Administrator
Mark Gerber, Fiscal Officer

Requests

I have spoken with Jim at Mike's Complete Service about the repairs to our reserve Horton Medic 323 with 112,000 miles, which is used for emergency back up.

1. Needs 4 ball joints.
2. Needs 2 camber sleeves and alignment.
3. Engine scan revealed 1 bad injector. Owner's manual and Mike's Service recommend replacing all eight injectors at this time due to the manuals recommendations of replacing them at 100,000 miles.
4. Vehicle has a fuel leak. The fuel/oil leak is at the rear of the motor which requires at least 4 hours of labor.

Mike's has stated a worst case scenario of \$6,500.00.

I would like to have a blanket PO for \$6,500.00. The breakdown is as follows:

Ball Joints	\$243.14
Camber Sleeves	\$51.16
Injectors	\$3,374.80
Fuel/Oil Leak	\$1,272.40
Labor	\$1,558.50
TOTAL	\$6,500.00
