Dear Chief Bernans,

I appreciate your time and thank you for selecting me as an applicant for full time fire fighter. I have been working part time for three years and have learned much during my time with Liberty Township. The respect and cooperation the department has shown me will remain with me throughout my career. The hard work the department and its employees have put towards me shows me what it means to represent this department and how it would be an honor to serve it and the community it protects.

Working with the department and its crews, has taught me things about myself and who I want to become. My goals include obtaining rescue technician certification, advancing paramedic skills, and becoming a member of the department who other members can come to as an advocate and friend. My education can benefit this department with the leadership and knowledge of the classes I have taken which apply to the fire service. Such classes have taught me not only how obtain knowledge, but also to teach it in presentations.

Thank you for considering me as an applicant for full time employment and look forward to speaking with you.

Respectfully Submitted;
