Participating Political Subdivisions are intended beneficiaries under this contract and are real parties in interest with the capacity to sue and be sued in their own name without joining the state of Ohio, Ohio Department of Transportation. By signing and returning this agreement, you will be bound to participate in this contract during the upcoming winter season, upon award of the contract to a successful vendor. A participating Political Subdivision cannot change its position during this contract period. Termination of participation is effective upon the expiration date of the contract. Failure of a Political Subdivision to purchase its requirements from the awarded vendor or comply with the terms of this contract may invalidate participation for the following winter season.

Political subdivisions will be required to submit a new participation agreement form every year, indicating storage capacity and stating salt needs for the contract period.

Re: 018-11, Salt-Sodium Chloride

Dear Municipality:

All political subdivisions desiring to participate with the Ohio Department of Transportation in the purchase of sodium chloride (rock salt) for the 2010-2011 winter seasons must complete and submit the enclosed participation agreement to the Office of Contracts. **All agreements must be received by our office prior to March 26<sup>th</sup>, 2010.** This will allow our office sufficient time to add your requirements to our bidding documents.

The participation agreement consists of the resolution/ordinance of the legislative authority or governing board of the political subdivision authorizing participation in this contract and agreeing to be bound by the invitation's terms and conditions.

Upon receipt of the agreement each political subdivision will get added to a list that will be maintained on the Office of Contracts web site. This list will be updated daily on the Contracts web site located at ->
