**Subject:** reinvestment of govdeal funds

John,

The following is a list of tools, by priority, that we wish to reinvest our GovDeal.com sale proceeds:

- |   |         |                           |
|---|---------|---------------------------|
| 1. 250 amp Mig welder   | \$2,200 | Valley Gases              |
| • Cleaner, better, and more versatile welding                           |         |                           |
| • Capable of welding mild steel, stainless steel, and aluminum          |         |                           |
| 2. 40 gallon parts washer   | \$250   | Northern Tool             |
| • To increase the quality of our repairs                                |         |                           |
| 3. 90lb sand blaster  | \$550   | Northern Tool             |
| • Aid in quality painting/re-painting of salt damaged trucks and wheels |         |                           |
| 4. Sandblasting Cabinet   | \$200   | TSC                       |
| • To compliment the sand blaster  |         |                           |
| 5. 20 ton shop press  | \$1000  | Northern Tool or Grainger |
| 6. Variable speed drill press   | \$850   | Sears Craftsman           |
| 7. Various hand tools   | \$750   | Sears Craftsman           |
| • To replace the personal tools of Dick Kuhn                            |         |                           |

5800

We feel these tools would aid our talented shop personnel in make more in-depth and higher quality repairs. By completing more repairs in-house we will save the taxpayers money and extend the life of our fleet.

Thanks,  
Randy
