

RESOLUTION 10-0706-03

Approve Request for Engineering Assistance on Winter Road – A.K.A. Columbus State Community College (CSCC) Ditch Profile Request

WHEREAS, Columbus State Community College (CSCC) opened a new campus in Liberty Township in June, and

WHEREAS, CSCC is requesting a Ditch Profile to determine proper right-of-way (ROW) and improve drainage as noted in the attached email, and

WHEREAS, in the best interest of the Township and its residents, staff recommends the Board of Trustees approve the CSCC request and direct a "Request for Engineering Assistance" be submitted to the County Engineer.

NOW, THEREFORE BE IT RESOLVED, by the Liberty Township Board of Trustees, Delaware County, state the Columbus State Community College Ditch Profile request and direct the Administrator to process the "Request for Engineering Assistance" to evaluate the drainage and related concerns.

This Resolution shall be in force and become effective immediately upon its execution.

Motion made by Mann and seconded by Sybert.

Subject: RE: Winter road

Michael,

I did talk to Adam concerning the drainage issue along Winter Road. I will forward this request on to our administration office.

I too, recognize the drainage issue and will ask our Board of Trustees to take some action accordingly.

Thank you,

John R. Walkup

Road Superintendent

Liberty Township, Delaware County

Subject: Winter road

First I would like to introduce Adam Darst and myself, Michael Ryan, to the Liberty township. Adam Darst is taking care of the grounds at Columbus State Community College in Delaware County as an employee of Physical Plant. He reports to me, Grounds Supervisor for Columbus State Community College. Adam reports to the Delaware Campus on a daily basis and I usually work on the Delaware campus one day a week if you need to contact us.

We are currently working with the township as we install a new culvert at our west gate on winter road. We would also like the township to evaluate the ditch along winter road and see if they can get it to drain better than it does at this time. This is from route 23 on the east to our property line on the west along the south side of winter road. Adam has talk with township and found out they would be willing to do this. This is the formal request that the person he talk to said would be needed. Please let us know if we can help in any way to see this work done.

Thanks for your support of our new Delaware County.
Michael D. Ryan
