Chief,

Attached is the agreement for the medic chassis. The total is \$161,000.00. We will also need funds to purchase the bumper and Q2B siren. I anticipate these cost will not exceed \$4,500.00 Resolution total should read not to exceed \$165,500.00

The total budgeted for the rechassis was \$180,000.

If we were to build a new medic the cost estimate was \$212,746.00.

Subject: REVISED HORTON RECHASSIS PROPOSAL

Jim,

I have attached the revised proposal for the re-chassis that includes the changes as discussed from our previous meeting.

Please note that the bumper and siren installation will be completed by Jim Hiser in the Service Department after the vehicle come back for the Rev Re-Mount center.

We will plan a trip to the Rev Center if you want to see your vehicle in process or before we proceed?

Give me a call with any questions?

Thanks,

Liberty Township Fire Department
7761 Liberty Rd.
Powell, Ohio 43065

To the Liberty Township Fire Department,

Horton Emergency Vehicles Company, a company based in Grove City, Ohio, hereby proposes and agrees to furnish to you the following Emergency Medical Vehicle Re Chassis upon your acceptance of this proposal:

One (1) Horton 623 Type 1 aluminum body conversion, to a 2018 Ford F-550 chassis delivered in accordance with the Ohio STS Pricing Schedule and Horton Selected Features List 12076, with attached Contract Explanation sheet, which we hereby make part of our proposal, complete and delivered for the sum of **\$161,000.00** due on completion and delivery of unit.

Due to the scarce availability of component parts, and in spite of spiraling costs, we will stand behind our contract price. Therefore, we do require full payment, at the time of delivery.

The new Emergency Medical Vehicle conversion shall be delivered F.O.B. Powell, Ohio and shall be completed within approximately 120 days after receipt of contract and chassis at Horton Emergency Vehicles Company, barring any delays due to strikes, chassis availability or availability of component parts or Acts of God. Unless accepted within (30) days from date, the right to withdraw this proposal is reserved.

Respectfully submitted,

Horton Emergency Vehicles Company

CONTRACT EXPLANATION

The State of Ohio Term Schedule requires Horton to breakout the base pricing and option pricing as submitted to the State of Ohio. Any required features that were not quoted to the State need to be separated out of the proposal and itemized. The result of this is that two separate purchase orders need to be issued for the purchase of the vehicle. They are as follows:

Purchase Order #1: Overall price total as quoted to the State of Ohio under the STS program

Purchase Order #2: Itemized price total for options and features not quoted to the State of Ohio under the STS program

As noted in the STS order form the purchase orders that need to be issued per the price breakdown are as follows:

Purchase Order #1 (with STS Pricing):	\$161,000.00
Purchase Order #2 (without STS Pricing):	<u>\$00.00</u>

Overall Total:	\$161,000.00
-----------------------	---------------------

Purchase Order #1 needs to include the **6 digit State of Ohio ID number** that has been issued to this purchaser showing that they are a member of this purchase plan.
