LTFD is on the May 6 ballot asking for voters to approve a 2.4 mill property tax levy which would begin collection in 2026. Property owners will pay \$84 per \$100,000 of valuation.

LTFD's current 5.6 mill renewal levy was originally passed in 2013 and has been renewed twice. Its effective collection rate is now 3.3 mills. Property owners pay \$103.56 per \$100,000 of valuation, down from \$171.50 from when it was originally passed in 2013.

If the new 2.4 mill levy is passed, property owners will pay a combined total of \$187.56 which would bring funding for the department closer to what it was in 2013.

Compared with other area fire departments, **LTFD is an excellent value** and continues to be a great investment in the community!
