

**RESOLUTION #19-1007-08**

**Require the Use of Prefabricated Plastic Risers in Street Drainage Structures**

**WHEREAS**, Liberty Township may request the Delaware County Engineer's Office (DCEO) to incorporate specific materials into the construction of new public streets within the Township, especially if the requested materials will provide a long term maintenance benefit and cost savings to the Township, and

**NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF TRUSTEES OF LIBERTY TOWNSHIP, DELAWARE COUNTY, OHIO**, to require DCEO to incorporate the use of prefabricated plastic risers in street drainage structures for all publically maintained streets within Liberty Township. All developments in the Township that include public streets, which have not received final plan approval as of the date of this resolution, shall incorporate the use of the prefabricated plastic risers into the final engineering and construction plans.

Motion made by Leneghan and seconded by Eichhorn.

**Vote:** yes Mrs. Eichhorn yes Mr. Gemperline yes Mrs. Leneghan

This Resolution shall be in force and become effective immediately upon its execution.
