OTARMA Announces One Million Dollar Distribution in 2018

Dear OTARMA Member,

The OTARMA Board of Directors is pleased to announce that OTARMA will distribute excess reserve funds to all of its Members. In 2018, the total distribution amount is *one million dollars!*

Because of conservative investment strategies, an active loss control program, and positive claims experience, the reserve fund that OTARMA must maintain to pay unexpected claims has grown over the years. After consultation with OTARMA's service providers, the OTARMA Board of Directors elected to use a small portion of the reserve fund to distribute a dividend to OTARMA's loyal member townships.

Your Township's portion of the distribution is shown below. In 30-60 days following your OTARMA renewal, a check for this amount will be mailed to you.

Memo: ***2018 Capital Distribution***

Member Number: 001089

Pay to the order of: Liberty Township, Delaware County

Amount: \$2,691.18

Providing coverage to Ohio Townships for over 30 years is a milestone we are extremely proud of. Since OTARMA's inception in 1987, rates have not increased, which is a reflection of the program's long-term stability.

It is your commitment and loyalty that has helped OTARMA become the premier property and liability program in Ohio – the *only* program endorsed by the Ohio Township Association.

Thank YOU for your continued support!
