To whom this may concern,

It is with great sadness that I'm writing to inform you that as of November 23, 2018 I will be discontinuing my employment with the Liberty Twp. Fire Dept. This decision to resign from my position was rather easy as the township officials were not meeting my expectations as an employer. It was my hope to find a secured job that would meet my family's needs. As a former employer it is my belief that you will get out of your employees what you put into your employees. The recent "at risk" behavior I have witnessed from the elected officials scares me and makes me think, why would anyone want to work at a job so volatile? Perhaps if I was new to the profession and I currently had no other opportunities this might be a good job for me. However, if the goal is to attract highly qualified candidates with experience, it is my belief that the Liberty Twp. Trustees are falling short of this goal.

However, I do want to thank the township trustees and the fire chief for the opportunity that I was given. I can say it has been a privilege to work with a fine group on firefighters at the LTFD.

Sincerely,

Casey Oakleaf
